This Verification is for the exclusive use of EMC HELLAS's client and is provided pursuant to the agreement between EMC HELLAS and its Client. EMC HELLAS's responsibility and liability are limited to the terms and conditions of the agreement. EMC HELLAS assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client (Applicant and/or Manufacturer) is authorized to permit copying or distribution of this Verification. Any use of the EMC HELLAS name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by EMC HELLAS. The observations and test/inspection results referenced in this Verification are relevant only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an EMC HELLAS certification program.
