Illuminate with ease

## Discover our sleek Linear Emergency Light for effortless safety

Introducing our new Linear Emergency Light, designed for simplicity and reliability with high luminosity output up to 2000lm. Crafted in sleek black aluminum, it's available in three models: Linear 30, Linear 60, and Linear 90, ensuring it fits any space perfectly. Whether you need it on the wall or ceiling, installation is hassle-free.

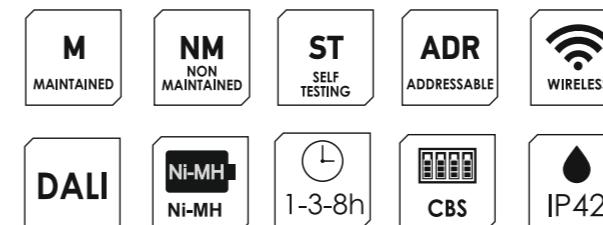

Installation is a breeze. Mount it on the wall or suspend it from the ceiling; the choice is yours. Our design prioritizes flexibility to meet your specific needs with ease.

What makes it special? It's all about options. Choose the version with a built-in battery that tests itself regularly for peace of mind. Or opt for compatibility with central battery systems for larger setups.

Our Linear Emergency Light is built tough and equipped with smart features, making it your trusted safety companion. It's there to light the way and guide everyone to safety when it matters most. Simple, reliable, and ready to keep your space secure.
